

## The Power of Membership

At HIMSS, **membership has real power**. As a HIMSS member your voice is heard... your ideas are valued... and you plug into a larger network of 20,000+ like-minded professionals and 350+ member companies and organizations—all dedicated to moving the industry forward.

We invite you to become a member and be an integral part of the big picture that is helping to define the vision of healthcare IT today... and tomorrow. With three different membership categories, HIMSS offers individuals, providers and organizations the opportunity to lead healthcare change through information technology.

### Membership Options

- **Individual Membership** expands your professional resources, career options and industry knowledge.
- **Organizational Affiliate**, an enterprise-wide membership program for healthcare providers, fosters learning, consensus and collaboration.
- **Corporate Membership** expands your company's industry influence and presence.

To learn more about any membership category, go to [www.himss.org/membership](http://www.himss.org/membership).

## Individual Membership— The Power of One

HIMSS Individual Membership empowers you to **shape your future, enrich your career and expand your industry intelligence.** Changing the industry starts with each one of our members—collaborating, sharing knowledge and accessing cutting-edge tools and resources.

As a HIMSS member, you can

- Stay on top of the latest trends, best practices and lessons learned
- Fast-track your career with certification, JobMine® and education
- Network and learn with peers and industry leaders
- Tap into on-line tools and resources you need 24/7
- Help shape public policy by joining our advocacy initiatives
- Participate in chapters, committees and special interest groups
- Enjoy discounts on HIMSS events and publications

## Organizational Affiliate— The Power of Knowledge and Collaboration

HIMSS exciting new membership program is designed **for the healthcare provider organization.** As an Organizational Affiliate, you can empower *all* of your IT stakeholders with full HIMSS memberships. They have access to HIMSS educational content, industry news, discounts, event registrations and networking opportunities. With HIMSS as your common resource and “go-to” authority, you can shrink the IT knowledge gap, create a more collaborative work culture and strengthen executive buy-in, enterprise-wide.

The HIMSS Organizational Affiliate program goes beyond individual membership and focuses on technology, education and networking for the entire organization—from senior management to entry-level staff. Through the program, organizations can work to:

- Reduce costs
- Increase employee education
- Strengthen professional identity with healthcare IT
- Enhance networking opportunities

## Corporate Membership— The Power of Leading Change

HIMSS has an industry presence unrivaled in scope.

More senior and executive-level decision makers belong to HIMSS than to any other healthcare information technology association. As a corporate member, you can harness the power of HIMSS membership to drive change in healthcare IT.

With three levels of Corporate Membership—*Gold, Platinum, or Diamond*—choose the one that best meets your needs and budget. All Corporate Members enjoy:

- Exclusive marketing opportunities at HIMSS events
- National visibility via the HIMSS Web site and HIMSS publications
- 10-25 complimentary individual memberships
- Access to high-level public policy meetings and leaders
- Discounts for participation, including HIMSS Analytics™ Database
- Local visibility through HIMSS chapters
