

Non-Profit Partner Membership Application

Non-Profit Partner Membership is designed for North American non-profit associations and professional organizations that share HIMSS' objectives to transform healthcare through the effective and efficient implementation of information technology. Non-Profit Partner Membership is available to qualifying organizations at no cost. The primary contact identified below will receive individual HIMSS member benefits for one year as described on the HIMSS web site at www.himss.org/ASP/individualhome.asp.

Qualifying organizations must meet all the following eligibility requirements:

- be a not-for-profit.
- be a professional or trade society or have an interest or stake in healthcare IT related topics.
- have an organization mission similar to HIMSS.
- not be in the business of providing or selling healthcare related services.
- not be in the business of developing or selling healthcare information technology products.
