Planning your career? It's time to start thinking big!

Regardless of where you are today, and where you want to go tomorrow, let HIMSS serve as your passport to unlimited career opportunities.

Plug into the Big Picture

As a student member of HIMSS, your voice is heard; your ideas are valued—and you plug into a global network of dedicated professionals committed to moving the healthcare technology industry forward. Most importantly, you have access to the vital industry tools, resources and contacts you need to advance your professional development.

Advance Your Career

Through your HIMSS membership, you receive the most up-to-date information, professional development, educational program offerings, and the opportunity to enjoy discounted rates on HIMSS education, books, resources and events.

How Big is Big?

The Healthcare Information and Management Systems Society—HIMSS—is one of the largest, and most respected healthcare IT organizations in the world today. HIMSS is made up of 20,000 individual members and over 350 corporate members, which translates into millions of professionals worldwide.

In a nutshell, HIMSS frames and leads healthcare public policy and industry practices through its advocacy, educational and professional development initiatives. Our mission is to lead change in the healthcare information and management systems field through knowledge sharing, advocacy, collaboration, innovation, and community affiliations. And now, you have the opportunity to be on that same frontline of leading change!

Be an Agent of Change

For more than 47 years, HIMSS has been the architect of change in the healthcare IT field. And with a HIMSS membership, you could be an *agent of change* on the big issues today shaping healthcare tomorrow. So, if you want to be a part of something big ... that could lead to even bigger opportunities in the future—join HIMSS!

And joining couldn't be easier! Simply provide verification of your student status, such as a class schedule or official letter from your institution—student ID cards are not acceptable.

You can get more information by calling HIMSS at 312.664.4467; or submit your application online at www.himss.org/youngprofessional.

Big opportunities... little cost!

\$30 a year gives you instant access to invaluable education and career advancement resources.
