

FY18 Committee Structure

Over 4,000 industry leaders serve as volunteers in committees, task forces, roundtables, and work groups.

HIMSS

transforming health through information and technology™

HIMSS COMMITTEES

GET INVOLVED WITH HIMSS!

Join like-minded colleagues in health information and technology to connect, learn and lead global initiatives.

COMMITTEE

HIMSS members execute strategic initiatives and create valuable industry resources.

Requires application process

TASKFORCE

HIMSS members work on narrow-issue projects for short periods of time.

COMMUNITY

HIMSS members work together to solve problems and lead industry initiatives.

WORKGROUP

HIMSS members work with committee leads on time-sensitive or single-issue projects.

ROUNDTABLE

HIMSS members focus on strategic subjects and/or audiences through a core constituency.
