

11-15 March | Orlando

Become a 2024 HIMSS Global Health Conference & Exhibition Speaker:

- Participate in the largest health information and technology conference and exhibition in the world.
- Share your insights and expertise with your peers.
- Elicit your contribution to transforming health through information and technology.

Accepted speakers will receive: *

- Complimentary, non-transferrable 2024 HIMSS Global Health Conference & Exhibition registration.
- Membership advancement and/or certification points for HIMSS members that speak/facilitate during conference.

* Speakers accepted through the Call for Proposal are responsible for their own hotel and travel arrangements and any associated expenses.
