

# Volunteer Participation Structure

Over 4,000 leaders from around the world serve as volunteers on HIMSS committees, task forces, roundtables, and work groups.

**HIMSS**

*transforming health through information and technology™*

HIMSS COMMITTEES

# GET INVOLVED WITH HIMSS!

Join like-minded colleagues in health information and technology to connect, learn and lead global initiatives.

## COMMITTEE

HIMSS members execute strategic initiatives and create valuable industry resources.

*Requires application process*

## TASKFORCE

HIMSS members work on narrow-issue projects for short periods of time.

## COMMUNITY

HIMSS members work together to solve problems and lead industry initiatives.

## WORKGROUP

HIMSS members work with committee leads on time-sensitive or single-issue projects.

## ROUNDTABLE

HIMSS members focus on strategic subjects and/or audiences through a core constituency.
