

Enduring Credit Questions

These questions will be used after conference for enduring credit available through the HIMSS eLearning environment required by HIMSS CE providers.

Please provide two(2) multiple choice questions with 4 answer choices (a-d) and one(1) true/false question that attendees should be able to answer after attending this presentation. There is a 250 character maximum count that includes spaces for each question and answer.

In the appropriate fields, please provide the correct answer and the reason why the answer is correct for each question. In addition, please provide the incorrect answers.

If the correct answer is "all of the above" or "none of the above", please do not simply repeat the answer. Instead, provide a reason or a citation indicating why all the answers are correct or not correct.

EXAMPLE - Multiple Choice Questions

List Multiple Choice Question (250 characters maximum, includes spaces):

Question: A universal goal to improve patient safety is the use of:

Provide one correct answer (250 characters maximum, includes spaces):

- A. Surgical pause

Provide reason why the above answer is correct (250 characters maximum, includes spaces).

- A. This is one of the main goals of The Joint Commission International Center for Patient Safety.

Provide three incorrect answers below (250 characters maximum each, includes spaces):

- B. Patient privacy process
- C. Diagnosis-related groups
